The Warwickshire & West Midlands Association of Local Councils (WALC) is committed to promoting and protecting the right to privacy of individuals accessing this website. In general, users can access this website anonymously as the Association does not require that you provide a name or address to access any area of this site.

Our website is hosted on a remote server. Those servers automatically log information about visits to our website in the normal course of establishing and maintaining web connections. Server logs record statistical information such as visitors' IP addresses, type of operating systems, time of visit, web pages requested, etc., and identify categories of visitors by items such as domains and browser types.

WALC can access these statistics in summary form. The statistics are reviewed and used to improve our website and to ensure we provide the optimal web experience for visitors. Accessing this statistical data does not enable the Association to identify users of the website.

For the benefit of users of the website, WALC will provide some links to external websites it considers to be of interest or relevance. WALC assumes no responsibility for the information a user is able to access through our site.

WALC reminds all users that a majority of Internet Service Providers maintain records of all URL's visited by their customers. Users should contact their Internet Service Provider for further details.
