

The Society of Local Council Clerks “Working with Your Council – The Knowledge”

This qualification is probably of more use to clerks new to the position. Parts of the course can be used for the completion of the Certificate in Local Council Administration. The course pack tells you in a straightforward manner just what you need to know and consists of core knowledge, under six headings, which you can study at a time and place of your choice. In Warwickshire you will have the support of an experienced Clerk who will act as your Mentor. 2 CPD points are earned for each module and a certificate is awarded on the successful completion of the course.
